

**FIRST AMENDED AND RESTATED
DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR MIDTOWN TOWN CENTER**

THE STATE OF TEXAS

KNOW ALL MEN BY THESE PRESENTS

COUNTY OF BRAZOS

THIS FIRST AMENDED AND RESTATED DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR MIDTOWN TOWN CENTER (this "Declaration"), is made on the date hereinafter set forth by **COLLEGE STATION TOWN CENTER, INC., a Texas corporation ("Declarant")**, for the purpose of evidencing the covenants, conditions and restrictions contained herein.

WITNESSETH:

WHEREAS, the Declaration of Covenants, Conditions, and Restrictions for Midtown Town Center is filed of record at Instrument No. 1370030 in the Official Records of Brazos County, Texas, as subsequently amended (the "**Original Declaration**").

WHEREAS, this Declaration concerns that certain 114.388 acres of real property being more specifically described by metes and bounds on Exhibit A attached hereto and made a part hereof for all purposes (the "**Property**"), said Property when further developed and subdivided to be known as the "**Development**."

WHEREAS, Section 9.4 of the Original Declaration provides that Declarant may amend the Original Declaration, acting alone, prior to the Turnover Date.

WHEREAS, the Turnover Date has not yet occurred and Declarant, in recognition that a mixed-use development requires special attention to the various burdens imposed on the Property by different uses, desires to amend and restate the Original Declaration for the purpose of modifying the formula for allocating Assessments so as to ensure allocation of Assessments is appropriately tailored to the impact of different uses on the Property.

NOW, THEREFORE, Declarant hereby declares that all of the Property shall be held, sold, occupied, and conveyed subject to the following easements, restrictions, covenants and conditions, all of which are for the purpose of enhancing and protecting the value, desirability, and attractiveness of the Property for the above stated purpose. These easements, covenants, restrictions and conditions shall run with the Property and be binding on all parties having or acquiring any right, title or interest in the Property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of Declarant and each Owner thereof.

ARTICLE I

ADDITIONAL DEFINITIONS

Section 1.1 **Anchor Retail Portion**. "Anchor Retail Portion" is a Use Classification and shall mean any Building Portion which would otherwise be a Retail Portion, contains at least 10,000 square feet of Gross Floor Area, and which the Association, in its reasonable judgment, has elected to designate as an Anchor Retail Portion; provided, however, that the Association shall have the right to terminate such designation from time to time, in its reasonable discretion, upon notice to the Owner of such Anchor Retail Portion in which case such designation shall be to the general Retail Portion unless another designation is at such time more appropriate.

Section 1.2 Areas of Common Responsibility or Common Areas. "Areas of Common Responsibility" or "Common Areas" shall mean those areas listed below which the Association shall maintain, upkeep and repair:

- (a) Any open spaces or common areas as designated by any Plat.
- (b) All landscaping, parking lots, driveways, and other exterior features including the repair and maintenance and replacement of existing landscaping, trees, shrubbery, and foliage, located on the Property, including any Lot.
- (c) Any part of the Property which is transferred to the Association by the Declarant, whether by dedication, pursuant to any Plat, by deed, or otherwise.
- (d) Any area designated on any Plat, or otherwise, as an easement in favor of a Lot for the purpose of accommodating any encroachment (including without limitation, encroachments of Building roof lines and Building access drives and walkways) of a Building into property adjoining a Lot.
- (e) Any area designated on a Plat which is located within the perimeter boundary of a Lot, but on which Building improvements are not constructed.

Section 1.3 Association. "Association" shall mean Midtown CS Property Owners Association, Inc., a Texas nonprofit corporation, its successors and assigns.

Section 1.4 Assessable Use. Assessable Use shall mean (i) use of a Building Portion pursuant to a Use Classification, other than any Building Portion owned by the Association, Declarant or an affiliate of Declarant, for which a Certificate of Occupancy has been issued; or (ii) ownership of a Vacant Lot, excluding any Vacant Lot owned by the Association, Declarant or an affiliate of Declarant.

Section 1.5 Building. Any structure that encloses space used for sheltering any occupancy, including any appurtenant canopies, supports, loading docks, truck ramps and other outward extensions, but excluding exterior eaves, steps, unenclosed walkways (either covered or uncovered) and open porches. The limitation of the areas upon which Buildings may be constructed, placed or located, shall not be interpreted or construed as restricting the construction of fences, open air vehicular parking facilities, curbing, traffic control devices, landscaping, paved streets or driveways, underground utilities, signs, enclosed (but uncovered) rubbish and trash storage areas, open air recreational facilities, open air drainage facilities, or above ground electrical or telecommunication lines, equipment or support poles, provided that such construction is not otherwise prohibited or restricted by this Declaration.

Section 1.6 Building Portion. A Building Portion shall mean: (i) each of the separate portions of a Building occupied by a single Occupant and as described and designated in a Building Portion Map filed with the Association, or as may be determined by the Association; or (ii) the entirety of a Building if there is no Building Portion Map filed with and accepted by the Association or the Association otherwise determines that the Use Classification is uniform for the entirety of the Building.

Section 1.7 Building Portion Map. "Building Portion Map" shall mean a map or site plan of Improvements on a Lot which also indicates the Use Classification intended for each Building Portion comprising the Improvements, whether made prior to or after the date of the making of this Declaration. A Building may consist of more than one Building Portions having separate Use Classifications.

Section 1.8 Certificate of Occupancy. "Certificate of Occupancy" shall mean a certificate of occupancy, temporary certificate of occupancy or other authorization issued by the City permitting the occupancy and use of a Building Portion or any space therein.

Section 1.9 City. "City" shall mean the City of College Station, Texas.

Section 1.10 County. "County" shall mean Brazos County, Texas

Section 1.11 Declarant. The term "Declarant" shall mean College Station Town Center, Inc., a Texas corporation, and any party to whom it shall expressly assign in writing, its rights, powers, privileges, and prerogatives hereunder.

Section 1.12 Gross Floor Area. "Gross Floor Area" shall mean the area within a Building Portion intended for occupancy or other use by an Owner or its tenants, as determined by a licensed engineer or architect approved by the Association, plus a pro rata share of any common area of a Building, such pro rata share being determined by the ratio of the square footage of the specific Building Portion in relation to the total square footage of all Building Portions utilizing the subject common area.

Section 1.13 Hotel Portion. "Hotel Portion" is a Use Classification and shall mean a Building Portion used exclusively for overnight or extended stay hotel operations, together with other ancillary operations related thereto, such as food and beverage service, ballrooms, meeting rooms, salon or spa facilities, and stands or shops for sundries and gifts, and indoor and outdoor pools, exercise and recreational facilities. The term Hotel Portion shall include applicable loading docks for hotel operations.

Section 1.14 Large Office Portion. "Large Office Portion" is a Use Classification and shall mean any Building Portion which would otherwise be an Office Portion, contains at least 10,000 square feet of Gross Floor Area, and which the Association, in its reasonable discretion, has elected to designate as a Large Office Portion; provided, however, that the Association shall have the right to terminate such designation from time to time, in its reasonable discretion, upon notice to the Owner of such Large Office Portion in which case such designation shall be to the general Office Portion unless another designation is at such time more appropriate.

Section 1.15 Legacy Residential Portion. "Legacy Residential Portion" is a Use Classification and shall mean a Building Portion comprised of Residential Units and related facilities and common areas related to the residential purpose, located on the Legacy Residential Property, which is designated as the Legacy Residential Portion as set forth herein.

Section 1.16 Legacy Residential Property. "Legacy Residential Property" is a Lot and shall mean the real property known as Lot 6, Block 1 of the Minor Replat, recorded as Document Number 2020-1411635, Volume 16508, Page 59, of the Official Public Records of Brazos County, Texas, being an amending plat of the Final Plat of the Midtown City Center Subdivision Phase 301, recorded in Volume 15731, Page 206 of the Official Public Records of Brazos County, Texas, for so long as the Owner thereof continues to use substantially all of such real property for Residential Units. At such time as the aforementioned real property fails to qualify as Legacy Residential Property pursuant to the foregoing sentence, such real property shall no longer be considered as Legacy Residential Property, the Legacy Residential Portion shall no longer be a Use Classification, and the provisions of Article X of this Declaration shall no longer be applicable.

Section 1.17 Lienholder. "Lienholder" or "Mortgagee" shall mean the holder of a first mortgage lien, either on any Building and/or any Lot.

Section 1.18 Lot. "Lot" or "Lots" shall mean and refer to a portion of the Property designated as a Lot on a Plat excluding streets, alleys, parking lots and driveways and any Areas of Common Responsibility. Where the context requires or indicates, the term Lot shall include the Building and all other improvements which are or will be constructed on the Lot. Notwithstanding the foregoing, a "Lot" shall include any easement shown on a Plat, or otherwise, in favor of a Lot for the purpose of accommodating any encroachment (including without limitation, encroachments of Building roof lines, and Building access drives and walkways) of a Building into property adjoining a Lot; subject, however, to the condition that such easement shall, for all purposes, remain a part of the Areas of Common Responsibility.

Section 1.19 Member. "Member" shall mean and refer to every person or entity who holds membership in the Association which may be created as set forth herein. The Declarant and each Owner shall be a Member in the Association.

Section 1.20 Occupant. Any person or entity from time to time entitled to the use and occupancy of any portion of the Property under an ownership right or lease, sublease, license, concession, or other similar agreement.

Section 1.21 Office Portion. "Office Portion" is a Use Classification and shall mean a Building Portion comprised of Office Space and related facilities and common areas, that is designated as an Office Portion as set forth herein, but is not otherwise designated as a Large Office Portion by the Association.

Section 1.22 Office Space. "Office Space" shall mean a structure or unit of space in a Building, which structure or space is used exclusively by an Owner or its Occupant for business/professional and administrative office purposes and ancillary facilities such as mail rooms, copy rooms, file rooms and employee break rooms, as distinguished from common areas of the Building used in common with other Owners or Occupants of the Building in which the Office Space is located. The term Office Space shall include applicable loading docks and other exterior balconies or space designated exclusively for use by the Owner or Occupant of the Office Space.

Section 1.23 Operational Costs. "Operational Costs" shall mean the reasonable costs and expenses incurred by the Association in connection with the operation, maintenance, equipping and repair of the Areas of Common Responsibility, the fulfillment by the Association of its duties, obligations and powers set forth in this Declaration and/or, subject to the terms of this Declaration, the promotion of the health, safety, and welfare of all Owners and Occupants.

Section 1.24 Owner. "Owner" shall mean and refer to the record Owner, other than Declarant or an affiliate of Declarant, whether one or more persons or entities, of a fee simple title to any Property Interest, and shall include any builder, but shall exclude those having such interest merely as security for the performance of an obligation. However, the term "Owner" shall include any Lienholder or Mortgagee who acquires fee simple title to any Property Interest through deed in lieu of foreclosure or through judicial or nonjudicial foreclosure.

Section 1.25 Ownership Unit. An "Ownership Unit" shall have the meaning set forth in Exhibit "B" attached hereto and incorporated herein.

Section 1.26 Permittees. All Occupants and their officers, directors, employees, agents, contractors, customers, vendors, suppliers, visitors, invitees, licensees, subtenants and concessionaires.

Section 1.27 Plat. A recorded plat of all or any portion of the Property.

Section 1.28 Property Interest. "Property Interest" shall mean any Lot, or condominium unit which may be created on the Property.

Section 1.29 Residential Portion. "Residential Portion" is a Use Classification and shall mean a Building Portion comprised of Residential Units and related facilities and common areas related to the residential purpose, that is designated as a Residential Portion as set forth herein, but is not otherwise designated as a Legacy Residential Portion by the Association.

Section 1.30 Residential Unit. "Residential Unit" shall mean an apartment unit, condominium unit or any other structure or unit of housing intended for use as separately rented residential living accommodations, whether rented by bedroom in student housing, by suite in senior living or by full apartment unit in a standard multi-family development; provided, however, that a Residential Unit shall not include guest rooms in a Hotel Portion.

Section 1.31 Retail Portion. "Retail Portion" is a Use Classification and shall mean a Building Portion comprised of Retail Space and related facilities and common areas, that is designated as a Retail Portion as set forth herein, but is not otherwise designated as an Anchor Retail Portion by the Association.

Section 1.32 Retail Space. "Retail Space" shall mean a structure or unit of space in a Building, which space is used exclusively by Owner or its Occupants for shops, stores, bars, restaurants, entertainment venues or other retail uses, as distinguished from common areas of the Building in which such space is located that are used by other Owners or Occupants of such Building. The term Retail Space shall include applicable storefronts and any loading dock or exterior seating or dining areas designated for use by the Occupant of the Retail Space.

Section 1.33 Turnover Date. The date on which 100% of the Property, by square footage, is owned by an Owner other than Declarant, or the date, if earlier, on which Declarant records a declaration in the Official Records of Brazos County, Texas of the cessation of Declarant's rights as the Declarant hereunder.

Section 1.34 Use Classification. "Use Classification" shall mean the designated use of any Building Portion, or the designation of Vacant Land, as described on Exhibit B attached hereto.

Section 1.35 Vacant Lot. "Vacant Lot" is a Use Classification and shall mean any Lot on which Improvements have not been constructed with a Certificate of Occupancy issued.

Section 1.36 Voting Unit. The number of "Voting Units" with respect to each Property Interest shall be equal to the number of Ownership Units assigned to such Property Interest at such time as the number of Voting Units are determined.

ARTICLE II

PROPERTY RIGHTS

Section 2.1 Owners Association, Assessment, and Lien. The Declarant has caused the Association to be formed as a non-profit corporation, for the purpose of enforcing and administering these Declarations. Further, the Association is hereby granted the power and authority to levy and collect Assessments against the land within the Property that the Association, in its sole judgment, deems necessary to be used for the maintenance and improvement of the Areas of Common Responsibility.

Section 2.2 Maintenance of Areas of Common Responsibility by the Declarant and the Association. Subject to Section 7.20, the Association will be solely obligated to maintain the Areas of Common Responsibility in a prudent manner in order to enhance and promote the safety, security and overall appearance of the Development.

ARTICLE III

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 3.1 Applicability. The following provisions relating to membership and voting apply to the Association which may be formed pursuant to Section 2.1 and should not be construed to limit the Declarant's ability to act prior to the formation of said Association.

Section 3.2 Membership. Declarant, during the time it owns any portion of the Property, and each person or entity who is a record Owner of a fee or undivided fee interest in any Property Interest, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Property Interest which is subject to assessment by the Association. Transfer of ownership, either voluntarily or by operation of law, shall terminate such prior Owner's membership in the Association, and membership shall be vested in the transferee; provided, however, that no such transfer shall relieve or release such Owner from any personal obligation with respect to Assessments which have accrued prior to such transfer.

Section 3.3 Voting Rights. Until the Turnover Date, the Declarant shall have the only voting rights of the Association. After the Turnover Date, the Members shall be entitled to one vote for each Voting Unit owned. When more than one person holds an interest in any Property Interest, all such persons shall be Members. The vote for such Property Interest shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to the Voting Units attributable to the particular Property Interest.

Section 3.4 No Cumulative Voting. At all meetings of the Association, there shall be no cumulative voting. Prior to all meetings, the Board of Directors of the Association shall determine the total number of votes outstanding and entitled to vote by the Members.

Section 3.5 Suspension of Voting Rights. In the event that any Member shall have failed, following thirty (30) days written notice from Declarant or the Association, to pay any Assessment when due, in addition to any other remedy set forth in this Declaration, the voting rights of such Member shall be suspended until such time as that Member shall have paid its proportionate share of all Assessments in full. The suspension of a Member's voting rights under this Section 3.5 shall occur notwithstanding the fact that the Member may, in good faith, be contesting the payment of the delinquent Assessment.

Section 3.6 Association Board of Directors. Notwithstanding anything herein to the contrary, until the Turnover Date, Declarant shall appoint the members of the Board of Directors of the Association. After the Turnover Date, the Board of Directors shall be appointed by the Members of the Association. Unless expressly provided herein, any acts and determinations to be made by the Association hereunder shall be made by the Association's Board of Directors, unless the Board of Directors of the Association shall have authorized an officer of the Association to take such action or make such determination on behalf of the Association.

ARTICLE IV

POWERS OF DECLARANT AND ASSOCIATION

Section 4.1 Generally. In addition to the rights of the Association set forth in other sections of this Declaration, the Association shall have the duty to enforce the covenants under this Declaration and maintain all Areas of Common Responsibility and shall have the right, power, and authority to do any act which is consistent with or required by the provisions of this Declaration or the Bylaws of the Association, whether the same be expressed or implied, including but not limited to the following:

- (a) The power to levy and collect Assessments (as hereinafter defined), of whatever nature for the maintenance, repair or replacement of the Areas of Common Responsibility existing on the Property and for such other purposes as are herein provided;
- (b) The power to keep accounting records with respect to the Association's activities;
- (c) The power to contract with and employ others for maintenance and repair; and
- (d) The power to adopt rules and regulations concerning the operation of the Areas of Common Responsibilities.
- (e) The power to change the classification of Building Portions appropriately according to actual usage, which such determinations may include, without limitation, the right to: (i) designate an Office Portion as a Large Office Portion or any reclassification thereof, and (ii) designate a Retail Portion as an Anchor Retail Portion or any reclassification thereof.

Section 4.2 Prior to Formation of the Association. Notwithstanding the foregoing, prior to the effective date of the transfer described in Section 2.2 hereof, the Declarant shall have and be vested with the duties and powers of the Association which are referenced above.

Section 4.3 Power to Add Property. Prior to the Turnover Date, Declarant may, with the consent of the owner of any such property, record an annexation agreement with respect to any other property not already included in the definition of Property provided herein in order to impose this Declaration on such annexed property, and the definition of Property in this Declaration shall be amended to include such annexed property.

ARTICLE V

ASSESSMENTS AND ASSESSMENT LIENS

Section 5.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Property Interest by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, covenants and agrees to pay to the Association: (i) annual assessments or charges, to be paid monthly as provided for herein or by the rules and regulations of the Association, and (ii) special assessments for capital improvements. Such assessments (collectively, the "**Assessments**") are to be fixed, established and collected as provided herein. Assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on Owner's Property Interest and shall be secured by a continuing lien which is hereby created and imposed for the benefit of the Association upon the Property Interest against which each such Assessment is made. Each such Assessment, together with such interest costs and reasonable attorney's fees, shall also constitute a personal obligation of the person or entity who was the record Owner of such Property Interest at the time of the Assessment. The personal obligation for delinquent Assessments shall not pass to successors in title unless expressly assumed by such successors; however, the lien upon the Property Interest shall continue until paid.

Section 5.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the owners of Property Interests within the Property, paying the Operational Costs, the improvement and maintenance of the Areas of Common Responsibility and any other property owned by the Association, the construction and maintenance of any signs, advertisements or displays located in the Areas of Common Responsibility, and the performance and/or exercise of the rights and obligations of the Association arising hereunder. Assessments shall include, but not be limited to, funds to cover actual Association costs (including reasonable reserves) for all taxes, insurance, repair, replacement, maintenance and other activities as may from time to time be authorized by the Association's Board of Directors; legal and accounting fees, and any fees for management services; expenses incurred in complying with any laws, ordinances or governmental requirements applicable to the Association or the Property; reasonable replacement reserves and the cost of other facilities and service activities, including, but not limited to, mowing grass, grounds care, sprinkler system, landscaping, and other charges required or contemplated by this Declaration and/or that which the Board of Directors of the Association shall determine to be necessary to meet the primary purpose of the Association, including the establishment and maintenance of a reserve for repair, maintenance, taxes and other charges as specified herein.

Section 5.3 Basis and Maximum Amount of Annual Assessments.

(a) Until the Turnover Date, the maximum regular annual Assessment may be, but is not required to be, determined by the Declarant. In the event of a no such designation, there shall be no maximum regular annual Assessment.

(b) After the Turnover Date, the Association's Board of Directors may determine the maximum regular annual Assessment, which may be increased by an amount up to ten percent (10%) over the preceding year's regular annual assessment solely by the Association's Board of Directors. Any increase over and above 10% of the previous year's regular annual assessment shall be done only by the prior written approval of sixty-six and two-thirds percent (66-2/3 %) of the outstanding Voting Units (determined pursuant to Section 3.3 hereof) held by the Members at a meeting at which a quorum is present.

Section 5.4 Special Assessments In addition to the regular annual Assessment authorized above, the Association may levy, in any assessment year, a special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the costs incurred by the Association pursuant to the provisions of this Declaration, provided that after the Turnover Date, any such special Assessment shall have the prior written approval of sixty-six and two-thirds percent (66-2/3 %) of the outstanding Voting Units (determined pursuant to Section 3.3 hereof) held by the Members at a meeting at which a quorum is present.

Section 5.5 Notice and Quorum for any Action Authorized Under Sections 5.3 and 5.4 When written notice of any meeting called for the purpose of taking any action authorized under Sections 5.3 and 5.4 hereunder is required, such written notice shall be given to all Members not less than ten (10) days or more than twenty (20) days in advance of such meeting. At such meeting, the presence of Members or of written proxies entitled to cast sixty percent (60%) of all the Voting Units entitled to be cast by the Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 5.6 Uniform Rate of Assessment Both the regular annual and special Assessments shall be fixed at a uniform rate for all Ownership Units. Regular annual and special Assessments shall commence and be due in accordance with the provisions of Section 5.7 hereof. Each Owner shall pay one hundred percent (100%) of the established Assessment for each Property Interest based on the assigned number of Ownership Units. Until the Turnover Date, the Association, Declarant and each affiliate of Declarant shall be exempt from paying Assessments on any Property Interest owned by the Association, Declarant or an affiliate of Declarant.

Section 5.7 Date of Commencement of Annual Assessments; Due Dates

(a) The obligation to pay regular annual assessments on a monthly basis as provided for herein shall commence when a Property Interest is no longer owned by the Declarant or an affiliate of the Declarant. Assessments shall be due and payable on a monthly basis unless otherwise designated by the Association.

(b) Prior to the Turnover Date, Declarant shall pay any deficiency resulting in the event the cost of maintenance exceeds the amount of the Assessments received from the Owners; provided, however, in such event, Declarant shall not otherwise be required to pay Assessments with respect to portions of the Property owned by Declarant or an affiliate of Declarant; and further, provided, however, in no event shall Declarant be required to pay an amount which is in excess of one hundred percent (100%) of the established Assessment for the Property Interest owned by Declarant or an affiliate of Declarant. After the Turnover Date, (i) the Declarant shall no longer be responsible for contributing shortfalls outlined in the preceding sentence but rather, (ii) the Declarant and any affiliate of Declarant shall commence making regular annual and Special Assessments pursuant to Sections 5.3 and 5.4 hereof calculated on its respective Property Interest (based on the assigned number of Ownership Units).

(c) The annual Assessments for the first Assessment year shall be fixed by the Association prior to the sale of the first Property Interest to an Owner. Except for the first Assessment year, the Association shall fix the amount of the annual Assessment at least thirty (30) days in advance of each Assessment year, which shall be the calendar year; provided, however, that the Association shall have the right to adjust the regular annual Assessment upon thirty (30) days written notice given to each Owner, as long as any such adjustment does not exceed the maximum adjustment permitted pursuant to this Section 5. Notwithstanding the foregoing, each time there is a new Assessable Use, the Association shall have the right to adjust and reallocate the assigned Ownership Units to account for the new Assessable Use, effective upon the date such Building Portion becomes an Assessable Use. Written notice of the regular annual Assessment shall be given as soon as is practicable to every Owner subject thereto. The Association shall, upon demand at any time, furnish a certificate in writing signed by the President, Vice President or the Treasurer of the Association setting forth whether the annual and special Assessments on

any Property Interest have been paid and the amount of any delinquency. Such certificates shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

(d) No Owner may exempt himself from liability for Assessments by waiver of the use or enjoyment of any portion of the Development or by abandonment of its Property Interest.

Section 5.8 Effect of Non-Payment of Assessments; Remedies of the Association.

(a) All payments of the Assessments shall be made to the Association at its principal place of business in Brazos County, Texas, or at such other place as the Association may otherwise direct or permit. Payment shall be made in full regardless of whether any Owner has any dispute with Declarant, the Association, any other Owner, or any other person or entity regarding any matter to which this Declaration relates or pertains. Payment of the Assessments shall be both a continuing affirmative covenant personal to the Owner and a continuing covenant running with the Property Interest.

(b) Any Assessment provided for in this Declaration which is not paid when due shall be delinquent. If any such Assessment is not paid within thirty (30) days after the date of delinquency, the Assessment shall bear interest from the date of delinquency (with no notice required to be given), until paid, at the rate of ten percent (10%) per annum or the maximum rate allowed by law, whichever is the lesser. The Association may, at its option, bring an action at law against the Owner personally obligated to pay the same or, upon compliance with the notice provisions hereof, foreclose the lien against the Property Interest as provided in Subsection 5.8(d) hereof. There shall be added to the amount of such Assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include said interest and a reasonable attorney's fee, together with the costs of action. Each Owner vests in the Association or its assigns, the right and power to bring all actions at law or in equity foreclosing such lien against such Owner, and the expenses incurred in connection therewith, including interest, costs and reasonable attorney's fees shall be chargeable to the Owner in default. Under no circumstances, however, shall Declarant or the Association be liable to any Owner or to any other person or entity for failure or inability to enforce any Assessments.

(c) No action shall be brought to foreclose said Assessment lien or to proceed under the power of sale herein provided less than thirty (30) days after the date a notice of claim of lien is deposited with the postal authority, certified or registered, postage prepaid, to the Owner of said Property Interest and a copy thereof is recorded by the Association in the Office of the County Clerk of the County; said notice of claim must recite a good and sufficient legal description of any such Property Interest the record Owner or reputed Owner thereof, the amount claimed (which may, at the Association's option, include interest on the unpaid Assessment at the maximum legal rate, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association.

(d) Any such sale provided for above is to be conducted in accordance with the provisions applicable to the exercise of powers of sale in mortgages and deeds of trust, as set forth in Section 51.002 of the Property Code of the State of Texas (as it may be amended from time to time), or in any other manner permitted by law. Each Owner, by accepting a deed to its Property Interest, expressly grants to the Association a power of sale as set forth in said Section 51.002 of the Property Code, in connection with the Assessment lien. The Association, through duly authorized agents, shall have the power to bid on the Property Interest at foreclosure sale and to acquire and hold, lease, mortgage and/or convey the same.

(e) Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Association but not to exceed the actual cost of preparing and filing or recording the lien and the release. The Assessment lien and the right to conduct a foreclosure sale hereunder shall be in addition to, and not in substitution of, all other rights and remedies which the Association and its successors or assigns may have hereunder and by law, including the right of suit to recover a money judgment for unpaid Assessments, as above provided.

Section 5.9 Subordination of Lien to First Mortgages. The lien securing the Assessments provided for herein shall be expressly subordinate to the lien of any Lienholder pursuant to a first deed of trust lien filed of record on any Property Interest. The sale or transfer of any Property Interest shall not affect the Assessment lien. No sale or transfer shall relieve such Property Interest from liability for any Assessment thereafter becoming due, in accordance with the terms herein provided.

Section 5.10 Management Agreements. The Association shall be authorized to enter into management agreements with third parties in connection with the operation and management of the Development and the performance of its obligations hereunder. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be canceled with or without cause and without penalty by either party upon thirty (30) days written notice. Any and all management agreements shall be for a term not to exceed one year and shall be made with a professional and responsible party or parties with proven management skills and experience managing a Development of this type. The Association may, at its discretion, assume self-management of the Development.

Section 5.11 Insurance Requirements. The Association shall obtain insurance policies covering the Areas of Common Responsibility and any open spaces and covering all damage or injury caused by the negligence of the Association, any of its employees, officers, directors and/or agents, including, but not limited to, commercial general liability insurance, directors and officers liability insurance, and such other insurance as the Association may from time to time deem necessary or appropriate.

ARTICLE VI

ARCHITECTURAL CONTROL COMMITTEE

Section 6.1 Appointment of Members. Upon formation, the Association shall appoint an Architectural Control Committee (the "**Committee**"), which shall consist of three (3) members who shall be natural persons and may be affiliated with Declarant. All matters before the Committee shall be decided by majority vote of its members. Upon the Turnover Date, the Association shall assume all of the rights and powers of the Committee. In the event of the death, incapacity or resignation of a member of the Committee, the successor for such member shall be appointed by the majority of the remaining members of the Committee if before the above date and by the Association if after such date. Until the formation of the Committee, Declarant will review and approve all decisions subject to Committee approval herein.

Section 6.2 Submission of Plans to Architectural Control Committee. No Building, fence, wall, parking area, landscaping, pole, mail box, driveway, fountain, pond, sign, exterior color or shape, or new or modification of a structure shall be commenced, erected or maintained upon any Property Interest by any Occupant, nor shall any exterior addition to or change or alteration therein be made, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same are submitted to and approved by the Committee. Plans and specification shall be submitted to the Committee at least fourteen (14) days prior to the commencement of any construction or modification. The following shall be submitted for approval: a site plan showing the entire Property Interest with existing improvements, and floor plan and elevations of all faces of the proposed structure; and a description of all exterior construction materials. A copy of the above described plans and specifications may be retained by the Committee.

Section 6.3 Approval of Plans. The Committee shall review the plans and specifications and notify the Occupant in writing of its approval or disapproval. Each Building or other improvement of any kind to be located on the Property shall comply with the architectural guidelines which now or may hereafter be promulgated by the Committee. Such architectural guidelines shall be effective from the date of adoption; shall be specifically enforceable by injunction or otherwise; and shall have the effect of covenants as set forth herein. In the event of any conflict between any such architectural guidelines, as from time-to-time may be adopted by the Committee, and this Declaration, the provisions of the architectural guidelines shall control. The architectural guidelines shall not require any Owner to alter a Building or other

improvement previously constructed, provided that such Building or improvement met the relevant architectural guidelines and were approved by the Committee at the time such Building or improvement was constructed. If the Committee fails to approve or disapprove said plans and specifications within thirty (30) days after the same has been submitted to it, they will be deemed to have been approved by the Committee. Any disapproval shall set forth the elements disapproved and the reason or reasons therefor. The judgment of the Committee in this respect in the exercise of its sole and absolute discretion shall be final and conclusive and the Occupant shall promptly correct the plans and specifications (if disapproved) and resubmit them for approval. No construction, alteration, change, or modification shall commence until approval of the Committee is obtained. The Committee may approve any deviation from these covenants and restrictions as the Committee, in its sole and absolute discretion, deems consistent with the purpose hereof. No member of the Committee shall be liable to any Occupant for any claims, causes of action or damages arising out of the denial of any submittal or grant of any deviation to an Occupant. Future requests for deviations submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a deviation to any Occupant shall not constitute a waiver of the Committee's rights to strictly enforce the Declaration and the architectural standards provided herein against any other Occupant. Approval by the Committee of the plans and specifications or its determination that the completed construction or modification has been constructed in accordance with the plans and specifications shall be deemed to be an acknowledgment by the Committee that such are in accordance with this Declaration and such acknowledgment shall be binding against the Owners and Occupants of the Property Interest and the Property.

Section 6.4 Committee Members' Liability. Neither the Declarant, the Association, the Association's Board of Directors, the Committee nor any employees, officers, directors or members thereof, shall be liable for damages or otherwise to anyone submitting plans and specifications for approval or to any Owner or Occupant affected by this Declaration by reason of mistake of judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications. Any errors in or omissions from the plans or the site plan submitted to the Committee shall be the responsibility of the Occupant of the Property Interest to which the improvements relate, and the Committee shall have no obligation to check for errors in or omissions from any such plans, or to check for such plans' compliance with the general provisions of this Declaration, City codes, state statutes or the common law, whether the same relate to Lot lines, Building lines, easements or any other issue.

ARTICLE VII

CONSTRUCTION OF IMPROVEMENTS AND USE OF LOTS

Section 7.1 Business Use. The Property shall be used for any and all business purposes which are not prohibited by the applicable zoning regulations of the City or otherwise prohibited hereunder.

Section 7.2 Designation of Use. Each Building Portion shall be designated with a Use Classification and shall be determined in accordance with the following procedure:

(a) Prior to the Turnover Date and in conjunction with the time of submission of preliminary plans to the Architectural Control Committee pursuant to Article VI of this Declaration, each Owner shall submit to the Association the following: (a) a site plan showing the location of all proposed Improvements to be constructed and (b) a written description of the intended use(s) on the Lot in such detail as is reasonably requested by the Association. Thereafter, the Association shall assign each Building Portion a Use Classification. In making such determination, the Association may, but is not obligated to, rely on the written description of intended use(s) submitted by the Owner thereof. In the event that no such written description of the intended use(s) is submitted to the Association by the time a Certificate of Occupancy is issued, the entire Building shall be assessed at the Use Classification as determined by the Association until such time as a written description of the intended use(s) is submitted to and approved by the Association.

(b) Notwithstanding the foregoing, prior to the Turnover Date, Declarant shall have the power, in its reasonable discretion, to create additional Use Classifications by amending Exhibit B without the joinder of any other party.

(c) The Association shall have the power, in its reasonable discretion, to change the classification of Building Portions in accordance with its actual usage.

(d) Declarant and any representative of the Association authorized by the Association's Board of Directors may, at any reasonable time and upon reasonable notice to the Owner, enter upon any Property Interest, Building, or Building Portion for the purpose of verifying whether or not the use of the Property Interest, Building, or Building Portion appropriately reflects its designated Use Classification.

Section 7.3 Restrictions on Resubdivision. Without the consent of the Declarant or the Association, no Lot shall be subdivided into smaller Lots.

Section 7.4 Driveways. All driveways shall be surfaced with concrete or similar substance approved by the Committee.

Section 7.5 Uses Specifically Prohibited. No use shall be permitted on the Property which is inconsistent with the operation of a first-class commercial mixed-use development and/or retail shopping center. Without limiting the generality of the foregoing, the following uses shall be specifically prohibited:

(a) Any use, other than from the normal operation of a restaurant, which emits an obnoxious odor, noise or sound which can be heard or smelled outside of any Building on the Property.

(b) No temporary dwelling shop, trailer, tent, shack, barn, underground tank, or mobile home of any kind or any improvement of a temporary character (including greenhouses, gazebos and Buildings for storage) shall be permitted on any Lot except that the builder or contractor may have temporary improvements (such as a sales office and/or construction trailer) on a specifically permitted Lot during construction of the Building on that Lot. No building material of any kind or character shall be placed or stored upon the Property until construction is ready to commence, and then such material shall be placed totally within the property lines of the Lot upon which the improvements are to be erected, or on a specifically permitted portion of the Area of Common Responsibility.

(c) No boat, marine craft, hovercraft, aircraft, recreational vehicle, pick-up camper, travel trailer, motor home, camper body or similar vehicle or equipment or vehicles which are not in operational condition may be parked for storage on any part of any Lot or parked on any public street on the Property. This restriction shall not apply to any vehicle, machinery or equipment temporarily parked while in use for the construction, maintenance or repair of a Building in the Development.

(d) No vehicle of any size which transports flammable or explosive cargo may be kept on the Property at any time, except delivery vehicles used in the ordinary course of business of any Occupant.

(e) No oil drilling, oil development operation, oil refining, quarrying, or mining operations of any kind shall be permitted in or on the Property, nor shall oil wells, tanks, tunnels, mineral excavations, or shafts be permitted upon or in any part of the Property. No derrick or other structure designed for use in quarrying or boring for oil, natural gas or other minerals shall be erected, maintained or permitted on the Property.

(f) No animals, livestock or poultry of any kind shall be raised, bred or kept on the Property, save and except for a retail pet store.

(g) No Lot or other area of the Property shall be used as a dumping ground for rubbish or accumulation of unsightly materials of any kind, including without limitation, broken or rusty equipment,

disassembled or inoperative cars and discarded appliances and furniture. Trash, garbage or other waste shall not be kept except in sanitary containers. All containers for the storage or other disposal of such material shall be kept in clean and sanitary condition. Materials incident to construction of improvements may only be stored on Lots during construction of the improvements thereon.

(h) No individual water supply system or sewage disposal system shall be permitted on any Lot.

(i) No air-conditioning apparatus shall be installed on the ground in front of a Building. No air-conditioning apparatus shall be attached to any front wall or window of a Building. No evaporative cooler shall be installed on the front wall or window of a Building.

(j) Except with the written permission of the Committee, no antennas, satellite dishes or other equipment for receiving or sending sound or video signals shall be permitted in or on the Property.

(k) No fence, wall, hedge or shrub planting which obstructs sight lines at an elevation between three and six feet above the roadway shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street right-of-way lines, or in the case of a rounded property corner, from the intersection of the street right-of-way lines as extended. The same sight-line limitations shall apply on any Lot within that area that is ten feet from the intersection of a street right-of-way line with the edge of a private driveway or alley pavement. No tree shall be permitted to remain within such distance of such intersections unless the foliage line is maintained at a minimum height of six (6) feet above the adjacent ground line.

(l) Within those easements on each Lot as designated on a Plat, no improvement, structure, planting or materials shall be placed or permitted to remain which might damage or interfere with the installation, operation and maintenance of public utilities, or which might alter the direction of flow within drainage channels or which might obstruct or retard the flow of water through drainage channels. The general grading, slope and drainage plan of a Lot as established by the Declarant's approved development plans may not be altered without the approval of the City and/or other appropriate agencies having authority to grant such approval.

(m) No burning of refuse or garbage of any kind shall be permitted anywhere on the Property.

(n) No automobile, truck, trailer, or recreational vehicle sales, leasing, display or body shop repair operation shall be conducted on the Property.

(o) No mortuary or funeral home shall be erected or operated on the Property.

(p) No establishment selling or exhibiting "obscene" material or exhibiting drug-related paraphernalia or which exhibits, either live or by other means, to any degree, nude or partially clothed dancers or wait staff shall be erected or operated on the Property.

(q) No training or educational facility, including but not limited to: beauty schools, barbers, colleges, reading rooms, places of instruction or other operation catering primarily to students or trainees rather than to customers; provided, however, this prohibition shall not be applicable to on-site training by an Occupant incidental to the conduct of its business at the Development.

(r) No gambling facility or operation, including but not limited to: off-track or sports betting parlor; table games such as blackjack or poker; video poker/blackjack/keno machines or similar devices; or bingo hall. Notwithstanding the foregoing, this prohibition shall not be applicable to government sponsored gambling activities or charitable gambling activities, so long as such activities are incidental to the business operation being conducted by the Occupant.

(s) No restaurant located on the Property shall derive more than forty percent (40%) of its gross revenue from the sale of alcoholic beverages.

(t) No pawn shop; or "second hand" store;

(u) No assembly hall, distillation operation, game room or amusement park; skating rink; pool hall or billiard parlor; bowling alley; dancehall; saloon, cocktail lounge, nightclub or bar (except incident to a restaurant as permitted herein);

(v) No laundromat; central laundry or dry-cleaning plant (other than on-site service oriented to pickup and delivery by the ultimate consumer [including nominal supporting facilities]);

Section 7.6 Signage. Other than (i) signs or displays constructed and maintained by the Association for use by all Owners and Occupants, (ii) signs attached to the exterior wall of any Building which comply with the then existing City sign ordinance, (iii) monument type street signs as permitted by the then existing City sign ordinance, and (iv) other signs specifically contracted for in a lease between an Occupant and the Declarant, no sign, advertising or display of any kind may be constructed, erected or maintained on the Property. Notwithstanding anything herein to the contrary, all exterior signs, advertisements, or displays must be approved in advance by the Committee.

Section 7.7 Hazardous Materials. No Occupant shall use, or permit the use of Hazardous Materials on, about, under or in its Property Interest, or the balance of the Property, except in the ordinary course of its usual business operations conducted thereon, and any such use shall at all times be in compliance with all Environmental Laws. Each Occupant agrees to defend, protect, indemnify and hold harmless each other Occupant from and against all claims or demands, including any action or proceeding brought thereon, and all costs, losses, expenses and liabilities of any kind relating thereto, including but not limited to costs of investigation, remedial or removal responses, and reasonable attorneys' fees and costs of suit, arising out of or resulting from any Hazardous Materials used or permitted to be used by any Occupant, whether or not in the ordinary course of business.

For the purpose of this Section 7.7, the term (i) "Hazardous Materials" shall mean and refer to the following: petroleum products and fractions thereof, asbestos, asbestos containing materials, urea formaldehyde, polychlorinated biphenyls, radioactive materials, substances and wastes listed or identified in, or regulated by, any Environmental Law, and (ii) "Environmental Laws" shall mean and refer to the following: all federal, state, county, municipal, local and other statutes, laws, ordinances and regulations which relate to or deal with human health or the environment, all as may be amended from time to time.

Section 7.8 Common Areas. No merchandise, equipment, or services including, but not limited to, vending machines, promotional devices, and similar items shall be displayed, offered for sale or lease, or stored within the Areas of Common Responsibility; provided however, the foregoing prohibition shall not be applicable to:

(a) the storage of shopping carts;

(b) the installation of an "ATM" banking facility within an exterior wall of any Building;

(c) temporary Development promotions, except that no promotional activities will be allowed in the Areas of Common Responsibility without the prior written approval of the Committee; or

(d) Any recycling center required by law, the location of which shall be subject to the approval of the Committee.

Section 7.9 Minimum Floor Area. The total area of each Building, as measured to the outside of exterior walls, shall be not less than two thousand five hundred (2,500) square feet or the minimum floor area as specified by the City, whichever is greater, unless a variance has been granted by the Association.

Section 7.10 Building Materials. The total exterior wall area (excluding windows, doors, and gables) of each Building constructed on a Lot shall not be less than seventy-five percent (75%) (but not less than the minimum percentage as established by the City by ordinance or building code requirement) brick, brick veneer, stone, stone veneer, or other masonry material approved by the Committee. Windows, doors, other openings, gables or other areas above the height of the top of standard height first-floor windows are excluded from calculation of total exterior wall area. All roofing shall be approved in advance by the Committee, and shall comply with requirements of the City.

Section 7.11 Setback Requirements. No Building shall be located on any Lot nearer to the front Lot line or nearer to the side Lot line than the minimum setback lines shown on a Plat or as required by the City.

Section 7.12 Waiver Of Setback Requirements. With the written approval of the Committee and subject to plat and zoning restrictions, any Building may be located further back from the front property line of a Lot than provided above, where, in the opinion of the Committee, the proposed location of the Building will enhance the value and appearance of the Lot and will not negatively impact the appearance of adjoining Lots.

Section 7.13 Fences and Walls. All fences and walls shall be constructed of masonry, brick, iron, or other material approved by the Committee. No fence or wall on any Lot shall extend nearer to any street than the front of the Building thereon. Except as otherwise specifically approved by the Committee, all street side yard fencing on corner Lots shall be set no closer to the abutting side street than the side yard setback line as shown on the subdivision Plat. No portion of any fence shall exceed eight (8) feet in height. Any fence or portion thereof that faces a public street shall be constructed so that all structural members and, unless the Association determines otherwise, support posts will be on the side of the fence away from the street and are not visible from any public right-of-way.

Section 7.14 Sidewalks. All walkways along public right-of-ways shall conform to the minimum property standards of the City.

Section 7.15 Mailboxes. Mailboxes shall be standardized and shall be constructed of a material and design approved by the Committee (unless gang boxes are required by the U.S. Postal Service).

Section 7.16 Windows. Windows, jambs and mullions shall be composed of anodized aluminum or wood. All front elevation windows shall have baked-on painted aluminum divided light windows (no mill finish).

Section 7.17 Landscaping. Each Owner shall provide landscaping and adequate irrigation on its Lot consistent with the plans approved pursuant to Article VI. The Association shall maintain the landscaping as Areas of Common Responsibility associated with each Lot; provided, however, that the Owner shall maintain its irrigation systems on such Lot in good condition, including the immediate resolution of defective sprinkler heads and watering patterns, and shall irrigate as appropriate in light of the climate and seasonal conditions in order to sustain the landscaping on its Lot in a healthy manner. All approved landscaping shall be completed on the Lot within sixty (60) days after any Building is completed, subject to extension for delays caused by inclement weather as reasonably approved by the Association.

Section 7.18 General Maintenance of Building on Lot. Following occupancy of the Building upon any Lot, each Owner shall maintain and care for the Building in good condition and repair and in conformity with the general character and quality of properties in the immediate area, such maintenance and repair to include but not be limited to: (i) the replacement of worn and/or rotted components, (ii) the regular painting of all exterior surface, (iii) the maintenance, repair and replacement of roofs, rain gutters, down spouts, exterior walls, windows, doors, areas and other exterior portions of the Building to maintain an attractive appearance. Upon failure of any Owner to maintain its Building in the manner prescribed herein, the Declarant or the Association, or either of them, at its option and discretion, but without any

obligation to do so, but only after thirty (30) days written notice to such Owner to comply herewith, may enter upon such Owner's Building and undertake to maintain and care for such Building to the condition required hereunder, and the Owner thereof shall be obligated, when presented with an itemized statement, to reimburse said Declarant and/or the Association for the cost of such work within ten (10) days after presentment of such statement. This provision, however, shall in no manner be construed to create a lien in favor of any party on any Building for the cost or charge of such work or the reimbursement for such work. Notwithstanding anything herein to the contrary, prior to entry into a Building by the Declarant or the Association, the Owner or Occupant of such Building shall be given twenty-four (24) hours' notice of such intended entry, and a reasonable opportunity to be present during such entry; and further, unless otherwise consented to by the Owner or Occupant of a Building, the Declarant or the Association may only enter a Building for the purposes described herein during regular business hours.

Section 7.19 Construction of Off-Site Improvements. Declarant shall construct all required infrastructure improvements required by the City of College Station, the Rock Prairie Management District No. 2, or any other administrative authority ("Authority") in order to record a plat to create a Lot within the Property. In the event that any parking facilities, sidewalks, driveways or other off-site improvements of any kind ("Off-Site Improvements") are required by an Authority to be constructed outside of an Owner's Lot in order for an Owner to receive a certificate of occupancy for its Building, the Owner, at Owner's expense, shall be responsible for the construction of all such Off-Site Improvements as necessary for the issuance of such certificate of occupancy for the Building. Notwithstanding anything herein to the contrary, in no event shall Declarant or the Association have the obligation to construct the Off-Site Improvements, or any improvements of any kind whatsoever on an Owner's Lot unless Declarant or the Association, as the case may be, expressly consents in writing to do so. Each Owner shall provide sufficient parking facilities and any other required improvements on its Lot in order to procure a certificate of occupancy unless Declarant or the Association approves the construction of additional parking facilities or other improvements outside of the Lot as set forth hereunder and a variance is granted with respect to such construction.

Section 7.20 Owner Maintenance of Lot. Notwithstanding that the Association shall otherwise maintain the Areas of Common Responsibility located on a Lot pursuant to Section 1.2(b), including without limitation the maintenance of landscaping and parking areas, an Owner may make a request in writing to the Association to provide its own maintenance of the Areas of Common Responsibility on such Owner's Lot. If the Association, in its sole discretion, gives its written consent for Owner to provide its own maintenance under this Section, then Owner shall thereafter maintain such Areas of Common Responsibility on its Lot in a manner satisfactory to the Association and consistent with the maintenance of other Areas of Common Responsibility on the Property. The Association, for any reason whatsoever in its sole discretion, may by written notice to Owner, rescind its consent for the Owner to provide its own maintenance of the Areas of Common Responsibility on its Lot, and in such case the Association shall thereafter resume maintenance responsibility of the Areas of Common Responsibility on such Owner's Lot. At any time that the Association resumes maintenance responsibility of the Areas of Common Responsibility on an Owner's Lot, the Association shall have the right to review and adjust as appropriate in the Association's sole discretion the number of Ownership Units assigned to the various Building Portions on such Owner's Lot.

ARTICLE VIII

EASEMENTS

Section 8.1 Easements. Private non-exclusive easements for ingress, egress, and parking shall be reserved as shown on any Plat, and said ingress, egress, and parking easements shall inure to the benefit of each Lot. The Declarant reserves the right to file an amended plat which specifies the boundaries of the easements for ingress, egress, and parking. Easements for the installation and maintenance of utilities and drainage facilities shall be reserved as shown on any Plat. Easements shall also be reserved for the installation, operation, maintenance, and ownership of utility service lines from the property lines to the Buildings. Declarant reserves the right to make changes in and additions to

the above-referenced easements for the purpose of most efficiently and economically installing improvements to the Lots. A plat will be filed to reflect said easements.

Section 8.2 Drainage Easements. Each Owner covenants to provide easements for drainage and water flow as necessary in connection with the development of each Lot and the Property. Each Owner further covenants not to disturb or displace any trees or other vegetation within the drainage easements, and further covenants not to construct any improvements, temporary or permanent, in any drainage easement, except as approved in writing by Declarant or by the applicable governmental body.

Section 8.03 Traffic Easement. An easement for ingress and egress is hereby created for pedestrian traffic over, through and across sidewalks, paths, walks, driveways, passageways, and lanes as the same, from time to time, may exist upon, or be designed as part of the Common Areas, and for vehicular traffic over, through and across such portions of the Common Areas as, from time to time, may be constructed and intended for such purposes.

Section 8.4 Association Easement. There is hereby reserved a general right and easement for the benefit of the Association, its directors, officers, agents, and employees, including, but not limited to, any manager employed by the Association and any employees of such manager, to enter upon any Lot or any portion of the Property in the performance of their respective duties. Notwithstanding the foregoing, this Easement reserved for the Association is limited to the exterior portion of any building or other improvement and does not include the interior of any building or other improvement without the advance written consent of the owner; and further, this Easement may be limited by limited access rules and regulations that are imposed on a Lot where such limitations are for purposes of generally protecting the health, safety and security of the occupants of a Lot or the public in general. Except in the event of emergencies, this Easement is to be exercised only during normal business hours and then, whenever practicable, only upon advance notice to and with permission of the Owner or occupant of such property directly affected thereby.

Section 8.5 Surface Area of Easements. Each Owner shall maintain the surface area of all Easements located within its Lot and all improvements located thereon except for such improvements for which a public authority or utility company is responsible. The surface of easement areas for underground utility services may be used for planting of shrubbery, trees, lawns or flowers. However, neither Declarant nor any supplier of any utility or service using any easement area shall be liable to any Owner or to the Association for any damage done by them or either of them, or their respective agents, employees, servants or assigns, to any of the aforesaid vegetation as a result of any activity relating to the construction, maintenance, operation or repair of any facility in any such easement area.

Section 8.6 Title to Easements Not Conveyed. Title to any Lot conveyed by Declarant by contract, deed or other conveyance shall not be held or construed in any event to include the title to any roadways or Common Area or any drainage, water, gas, sewer, storm sewer, electrical light, electrical power, telegraph or telephone way, or any pipes, lines, poles or conduits on or in any utility facility or appurtenances thereto, constructed by or under Declarant or its agents through, along or upon any Lot or any part thereof to serve said Lot or any other portion of the Property, and the right to maintain, repair, sell, or lease such appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party is hereby expressly reserved to Declarant.

Section 8.7 Installations and Maintenance. There is hereby created an easement upon, across, over and under all of the easement areas affecting the Property for ingress and egress in connection with installing, replacing, repairing and maintaining all utilities, including, but not limited to, water, sewer, gas, cable television, telephones, electricity and appurtenances thereto. By virtue of this easement, it shall be expressly permissible for the utility companies and other entities supplying service to install and maintain pipes, wires, conduits, service lines or other utility facilities or appurtenances thereto, on, above, across and under the Property, within the public utility easements from time to time existing and from service lines situated within such easements to the point of service on or in any improvement.

Section 8.8 Character of Easements. The Easements are appurtenant to and run with the

Property, whether or not the Easements are referenced or described in any conveyance of such property, or any portion thereof. The Easements are for the benefit of the Owners and the heirs, successors, and assigns of the Owners who at any time own such real property or any interest therein.

Section 8.9 Duration of Easements. The duration of the Easements created pursuant to this Declaration is perpetual. Nothing in this Declaration shall change, modify or amend the duration of easements in effect as of the date of the filing of this Declaration nor shall this Declaration change, modify or amend the duration of any easement created by a plat that has been approved by the applicable governmental authority and recorded in the real property records.

Section 8.10 Nonexclusiveness of Easements. The Easements created by this Declaration are nonexclusive, and each of the Owners reserves for itself and its heirs, successors, and assigns the right to use all or part of the Easements created by this Declaration in any manner that is not contrary to or inconsistent with the purposes of the applicable Easement.

Section 8.11 No Public Dedication. With the exception of Easements created for and dedicated to a public purpose, whether created pursuant to this Declaration, a plat or otherwise, establishment of the Easements in this Declaration is not intended to establish any right for the benefit of the public, nor shall the establishment of such Easements in any manner constitute a dedication of a public easement.

Section 8.12 Rights Reserved. Each Owner reserves for that Owner and that Owner's heirs, successors, and assigns the right to continue to use and enjoy the surface of the applicable Lot for all purposes that do not unreasonably interfere with or interrupt the use or enjoyment of the Easements.

Section 8.13 Equitable Rights of Enforcement. The Owners may enforce the Easements created by this Declaration by restraining orders and injunctions (temporary or permanent) prohibiting interference and commanding compliance. Restraining orders and injunctions will be obtainable on proof of the existence of interference or threatened interference, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the Owners or those benefited by this Declaration; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law or in equity.

ARTICLE IX

GENERAL PROVISIONS

Section 9.1 Enforcement. The Declarant or the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, or the Bylaws and/or Articles of Incorporation of the Association. The Board of Directors of the Association may assess fines as necessary, in its discretion, in connection with any violation of the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. With respect to any litigation hereunder, the prevailing party shall be entitled to recover reasonable attorney's fees from the non-prevailing party.

Section 9.2 Severability. If any condition, covenant, or restriction herein contained shall be invalid, which invalidity shall not be presumed until the same is determined by the final judgment or order of a court of competent jurisdiction, such invalidity shall in no way affect any other condition, covenant, or restriction, each of which shall remain in full force and effect.

Section 9.3 Term. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by Declarant, the Association, or the Owner of any Property Interest subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded, after

which time said covenants shall be automatically extended for successive periods of ten (10) years, unless by vote of the then Owners holding sixty-seven percent (67%) or more of the Voting Units agree in writing to terminate or change this Declaration in whole or in part and such writing is recorded in the real property records of the County.

Section 9.4 Amendment. Prior to the Turnover Date, except as expressly provided herein, this Declaration may be amended at any time by Declarant by an instrument in writing filed and recorded in the official records of Brazos County, Texas, without the approval of any Owner or mortgagee; provided, however, that (i) in the event that such amendment materially and adversely alters or changes any Owner's right to the use and enjoyment of the Owner's real property within the Property or the Common Areas as set forth in this Declaration or adversely affects the title to any of Owner's real property within the Property, such amendment shall be valid only upon the written consent thereto by all of the then existing Owners affected thereby; or (ii) in the event that such amendment would materially and adversely affect the security, title and interest of any mortgagee, such amendment shall be valid only upon the written consent thereto of all such mortgagees so affected. Any amendment made pursuant to this paragraph shall be certified by Declarant as having been duly approved by Declarant, and by such Owners and mortgagees, if required, and shall be effective only upon recordation or at such later date as shall be specified in the amendment itself. After the Turnover Date, this Declaration may be amended or modified upon the express written consent of at least sixty-six and two-thirds percent (66-2/3 %) of the outstanding Voting Units (determined pursuant to Section 3.3 hereof) held by Members at a meeting at which a quorum is present. Notwithstanding the foregoing, Declarant shall have the right to execute and record amendments to this Declaration without the consent or approval of any other party if the sole purpose of the amendment is for the purpose of correcting technical errors or for purposes of clarification. Any and all amendments, if any, shall be recorded in the office of the County Clerk of the County. Each Owner, by acceptance of a deed or other conveyance to real property within the Property agrees to be bound by such amendments as are permitted by this paragraph and further agrees that, if requested to do so by Declarant, such Owner will consent to the amendment of this Declaration or any other instruments relating to the Property (a) if such amendment is necessary to bring any provision hereof or thereof into compliance or conformity with the provisions of any applicable governmental statute, rule, or regulation or any judicial determination which shall be in conflict therewith, (b) if such amendment is necessary to enable any title insurance company to issue title insurance coverage with respect to any real property subject to this Declaration, or (c) if such amendment is required by a reputable private insurance company to insure mortgages on the real property or other improvements subject to this Declaration.

Section 9.5 Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, in all cases shall be assumed as though fully expressed in each case.

Section 9.6 Remedies. Enforcement of these covenants, conditions and restrictions shall be by any proceeding at law or in equity, including, without limitation, an action for injunctive relief, it being acknowledged and agreed that a violation of the covenants, conditions and restrictions contained herein could cause irreparable injury to Declarant and/or the other Owners and that the Declarant's and/or the other Owner's remedies at law for any breach of the Owners' obligations contained herein would be inadequate. Enforcement may be commenced by the Association, the Declarant, the City, or any Owner against any person or persons violating or attempting to violate them, and failure by the Association, the Declarant or any Owner to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The rights created herein are unique and enforceable by specific performance.

Section 9.7 Notices to Member/Owner. Any notice required to be given to any Member and/or Owner under the provisions of this Declaration shall be deemed to have been properly delivered forty-eight (48) hours after deposited in the United States Mail, postage prepaid, certified or registered mail, and addressed to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 9.8 **Headings.** The headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration.

Section 9.9 **Formation of Association; Inspection of Documents, Books, and Records.** As hereinabove set forth in Section 3.1, the Declarant shall have the right to form the Association as a non-profit corporation in accordance with the laws of the State of Texas. Management and governance of the Association shall be implemented and/or undertaken in accordance with its Articles of Incorporation, in accordance with this Declaration, and in accordance with the Association's Bylaws which shall be adopted by the Association following its formation. The Association shall make available copies of this Declaration, the Bylaws, the Articles of Incorporation, and any rules and regulations governing the Association, as well as the books, records and financial statements of the Association, for inspection by Owners or any Mortgagee during regular business hours or other reasonable times.

Section 9.10 **Indemnity.** The Association shall indemnify, defend and hold harmless the Declarant, the Association's Board of Directors, the Committee and each director, officer, employee and agent of the Declarant, the Association's Board of Directors and the Committee, from all judgments, penalties (including excise and similar taxes), fines, settlements and reasonable expenses (including attorneys' fees) incurred by such indemnified person under or in connection with this Declaration or the Property to the fullest extent permitted by applicable law. **SUCH INDEMNITY SHALL INCLUDE INDEMNIFICATION FOR MATTERS ARISING AS A RESULT OF OR IN CONNECTION WITH THE SOLE OR CONCURRENT NEGLIGENCE OF ANY INDEMNIFIED PARTY TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.** Further, the Association hereby unconditionally and irrevocably agrees to indemnify, defend and hold the City of College Station ("City") and the City's officials, agents, employees and contractors harmless from and against any loss, liability, demand, damage, judgment, suit, claim, deficiency, interest, fee, charge, cost or expense (including, without limitation, interest, court costs and penalties, attorneys' fees and disbursement and amounts paid in settlement, or liabilities resulting from any charge in federal, state or local law or regulation or interpretation hereof) of whatever nature, even when caused in whole or in part by the City's negligence or the joint or concurring negligence of the City and any other person or entity, which may result or to which the City and/or any of the City's officials, agents, employees and contractors may sustain, suffer, incur or become subject to in connection with or arising in any way whatsoever out of the maintenance, repair, use, or occupation of the Common Areas, or any other activity of whatever nature in connection therewith, or arising out of or by reason of any investigation, litigation or other proceedings brought or threatened, arising out of or based upon the operation, management, maintenance, repair and use of the Common Areas, or any other activity in the Development.

Section 9.11 **Binding Effect.** Each of the conditions, covenants, restrictions, and agreements herein contained is made for the mutual benefit of, and is binding upon, each and every person acquiring any part of the Property, it being understood that such conditions, covenants, restrictions, and agreements are not for the benefit of the owner of any land except land in the Development. This Declaration, when executed, shall be filed of record in the real property records of the County so that each and every owner or purchaser of any portion of the Development is on notice of the conditions, covenants, restrictions, and agreements herein contained.

Section 9.12 **Recorded Plat; Other Authorities.** All dedications, limitations, restrictions and reservations that are shown on a Plat are deemed to be incorporated herein and shall be construed as being adopted in each contract, deed or conveyance executed or to be executed by the Declarant conveying the Lots, whether specifically referred to therein or not. If other authorities, such as the City or the County, impose more demanding, expensive, extensive or restrictive requirements than those that are set forth herein (through zoning or otherwise), the requirements of such authorities shall be complied with. Other authorities' imposition of lesser requirements than those that are set forth herein shall not supersede or diminish the requirements that are set forth herein.

Section 9.13 **Right of Enforcement.** The failure by Declarant or the Association to enforce any provision of this Declaration shall in no event subject Declarant or the Association to any claim, liability, cost or expense; it being the express intent of this Declaration to provide Declarant or the Association with

the right (such right to be exercised at its sole and absolute discretion), but not the obligation, to enforce the terms of this Declaration for the benefit of any Owner(s) of any Lot(s) in the Development.

Section 9.14 Universal Easements. The Owner of each Lot (including Declarant so long as Declarant is the Owner of any Lot) is hereby granted an easement as shown on a Plat for the purpose of accommodating any encroachment or protrusion due to engineering errors, errors in original construction, surveying, settlement or shifting of any Building, or any other cause. There shall be easements for the maintenance of said encroachment, protrusion, settling or shifting; provided, however, that in no event shall an easement for encroachment or protrusion be created in favor of an Owner or Owners of said encroachment or protrusion if the same occurred due to the willful misconduct of said Owner or Owners. In addition, the Owner of each Lot is hereby granted an easement, as shown on a Plat, for minor encroachments by overhanging roofs and eaves as originally constructed over each adjoining Lot and for the maintenance thereof. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to each affected Lot and shall pass with each conveyance of said Lot.

Section 9.15 Not a Public Dedication. Nothing herein contained shall be deemed to be a gift or dedication of any portion of or interest in the Property to the general public, or for any public use or purpose whatsoever. Except as herein specifically provided, no right, privileges, or immunities of any signatory hereto shall inure to the benefit of any third-party, nor shall any third-party be deemed to be a beneficiary of any of the provisions contained herein.

Section 9.16 Excusable Delays. Whenever performance is required hereunder, the obligee shall use all due diligence to perform and take all necessary measures in good faith to perform; provided, however, that if the performance or completion of performance shall be delayed at any time by reason of acts of God, war, civil commotion, riots, strikes, picketing or other labor disputes, unavailability of labor or materials, damage to Property improvements by reason of fire or other casualty, or any cause beyond the reasonable control of such obligee, then the time for performance as herein specified shall be appropriately extended by the amount of the delay actually so caused.

Section 9.17 No Warranty of Enforceability. While the Declarant has no reason to believe that any of the restrictive covenants or other terms or provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants. Any Owner acquiring a Lot in the Development in reliance on one or more of such restrictive covenants, terms or provisions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant and the Association harmless therefrom. The Declarant shall not be responsible for the acts or omissions of any individual, entity or other Owners.

ARTICLE X

SPECIAL PROVISIONS APPLICABLE TO LEGACY RESIDENTIAL PROPERTY

Section 10.1 Specific Provision Regarding Owner Maintenance of the Legacy Residential Property. Notwithstanding anything in the Declaration to the contrary, including but not limited to Section 7.20, the Owner of the Legacy Residential Property shall provide its own maintenance with respect to the Areas of Common Responsibility on such Legacy Residential Property. The Association shall not be entitled to rescind this provision pursuant to Section 7.20 unless and until (i) the Association has provided Owner thirty (30) days prior written notice and Owner has failed to begin and diligently maintain the Areas of Common Responsibility in accordance with the Declaration after the expiration of such thirty (30) day notice period or (ii) such Lot is no longer designated as Legacy Residential Property.

Section 10.2 Specific Provision Regarding Annual Assessments of the Legacy Residential Property. Notwithstanding anything in the Declaration to the contrary, including but not limited to Sections 5.1, 5.3, and 5.4 and Exhibit B, for so long as the Legacy Residential Property remains designated as such, in no event shall the sum of the annual and special Assessments applicable to the

Legacy Residential Property exceed \$25,000 in any calendar year beginning calendar year 2021 (the "Maximum Legacy Residential Property Assessments"); provided, however, that the amount of the Maximum Legacy Residential Property Assessments shall be increased by an amount equal to the previous calendar year's Maximum Legacy Residential Property Assessments multiplied by the percentage increase, if any, in the CPI Index from the first day of the previous calendar year in question to the first day of the new calendar year in question. For purposes hereof, "CPI Index" means the Consumer Price Index for All Urban Consumers, U.S. City Average (1982-1984 equals 100), published by the United States Department of Labor, Bureau of Labor. Notwithstanding the foregoing, the Legacy Residential Property shall not be subject to any Assessments, whether annual or special, including but not limited to being assessed as a Vacant Lot, until the earlier of (i) the Legacy Residential Property has received a permanent certificate of occupancy for Residential Units; or (ii) January 1, 2023, after which the Legacy Residential Property shall be subject to Assessments based on the number of Residential Units actually constructed and to be constructed on the Legacy Residential Property pursuant to the plans and specifications described in Section 10.3, subject to the limitation set forth in this Section 10.2.

Section 10.3 Specific Provision Regarding Approval of Plans of the Legacy Residential Property. Notwithstanding anything in the Declaration to the contrary, including but not limited to Section 6.3, the plans and specifications resubmitted on March 1, 2021 by the Owner of the Legacy Residential Property with respect to the Legacy Residential Property, titled "IFC Set" dated August 31, 2020 have been approved by the Committee in all respects.

Section 10.4 Specific Provision Regarding Amendment of Declaration with Respect to the Legacy Residential Property. Notwithstanding anything in the Declaration to the contrary, including but not limited to Section 9.4, for so long as the Legacy Residential Property remains designated as such, the Declaration shall not be amended or supplemented with respect to the Legacy Residential Portion, the Legacy Residential Property, or the Use Classification thereof, or any provision of Article X without the prior written consent of the Owner of the Lot comprising the Legacy Residential Property, which consent may be withheld in its sole and absolute discretion.

EXHIBIT B**Allocation of Assessments**

1. **Determination of Ownership Units.** Each Building Portion and Vacant Lot shall be assigned a number of units ("**Ownership Units**") by the Association for the purposes of allocating Assessments among the Owners. The number of Ownership Units shall be determined from time to time (regardless of whether such time is during rather than at the end of the fiscal year) and in a manner that the Association determines, in its reasonable discretion, which appropriately allocates assessment responsibilities to the various portions, based upon the relative burdens and benefits associated with each Assessable Use. For the purpose of clarity, a Building Portion within a Use Classification may not necessarily be assigned the same value within the Range of Ownership Units as assigned to another Building Portion within the same Use Classification. The maximum and minimum ranges (the "**Ranges**") for each Use Classification are set forth below, and any allocation of Ownership Units to a Building Portion by the Association within the Ranges shall conclusively be deemed to have been made in the Association's reasonable discretion. If the Association determines Ownership Units in accordance with any agreement executed by the Association (whether prior to, contemporaneous with, or after the date hereof) and consistent with such Ranges, such determination shall be conclusively deemed to have been in the Association's reasonable good faith judgment.

<u>Use Classifications</u>	<u>Range of Ownership Units</u>
Residential Portion	Range between 50 and 200 per Residential Unit
Legacy Residential Portion	Fixed at 50 Ownership Units per Residential Unit
Retail Portion (not specifically designated as an Anchor Retail Portion)	Range between 0.75 and 3.00 per square foot of Gross Floor Area
Anchor Retail Portion	Range between 0.00 and 1.50 per square foot of Gross Floor Area
Office Portion (not specifically designated as a Large Office Portion)	Range between 0.50 and 2.25 per square foot of Gross Floor Area
Large Office Portion	Range between 0.25 and 1.50 per square foot of Gross Floor Area
Hotel Portion	Range between 100 and 200 per hotel room designated for guest lodging.
Vacant Lot	Range between 0.00 and 0.25 per square foot of land owned
Any Property Interest owned by the Association, Declarant, or an affiliate of Declarant	Zero (0) Ownership Units

2. **Assessments.** Each Owner's undivided obligation for the Assessments shall be represented by a fraction, the numerator of which is the number of Ownership Units assigned to the Owner's particular Building Portion(s) and/or Vacant Lot(s) and the denominator of which is the total number of Ownership Units assigned to all Building Portions and Vacant Lots within the Property. Such fraction shall be multiplied by the total dollar amount of the applicable Assessments in order to determine the dollar amount of the

Assessments to be levied with respect to each particular Building Portion or Vacant Lot. To the extent provided in Section 5.4, the same fraction shall be used to allocate all special Assessments.

3. **Computation by Association.** The share of Assessments (stated as a percentage) applicable to each Building Portion or Vacant Lot shall be computed at least annually by the Association. If the Use Classification of a Building Portion or Vacant Lot changes during the fiscal year resulting in a change to the share of Assessments applicable to such Building Portion or Vacant Lot, the Association shall be authorized to adjust the Assessments applicable to such Building Portion or Vacant Lot effective with such change, but the Association need not reallocate Assessments against all other Building Portions or Vacant Lots within such fiscal year. Notice of the percentage of Assessment applicable to each Building Portion or Vacant Lot (including a summary of computations) shall, upon request, be sent to each Owner.

4. **Commencement.** All Property Interests owned by a person or entity other than Declarant, an affiliate of Declarant, or the Association shall be designated as a Vacant Lot at closing and continuing through construction. Upon the issuance of a Certificate of Occupancy, each Property Interest owned by a person or entity other than Declarant, an affiliate of Declarant, or the Association shall be re-designated pursuant to the procedure set forth in Section 7.2 of this Declaration.
